Municipal non-profit organization «Zaporizhzhia Regional Clinical Children's Hospital» of Zaporizhzhia regional council due to the military state of our country turns to you for help.

Due to the full-scale military aggression of the Russian Federation against Ukraine, Zaporizhzhia receive wounded civilians.

At the moment there are children in medical institutions in Zaporizhzhia who are the most vulnerable category of war victims. These are children with torn limbs, torn wounds from debris, and so on. Children who will be permanently disabled with both physical and psychological disabilities. Due to our hospital giving out help to children from regions, we are asking for humanitarian aid, according to the list provided below.
